CAROLINAS CHAPTER

AMERICAN ASSOCIATION OF LAW LIBRARIES

June 16, 1954

Miss Sarah Leverette, Law Librarian
School of Law
University of South Carolina
Columbia, S. C.

Dear Sarah:

I received a copy of the letter which Kate sent you saying that she would be unable to attend the meeting at Columbia and would not be able to lead the discussion on treatment of ephemeral material at that time. I do not know if you have anyone else in mind or if you have done anything further about finding anyone but it occurred to me that Jane Oliver might be a good person to ask. She might have had some experience which would be of value and she might be willing to put some time in on preparing a discussion. This is just by way of suggestion so feel free to do whatever you want to do about it.

Ruth wrote to me that she, Jane and a couple of others are planning on going to Nassau too but they are only going to be staying for the weekend. She asked me whether I thought you might be interested and I told her that I was trying to talk you into going. If you can't stay for a week what about a few days? It sure would be fun to have you along.

I'm looking forward to Miami and will see you then.

Sincerely,

Mary
